## **FAQ - LEGOLAND KIDS MILE AND BW SCHOOL MARATHON CHALLENGE**

### **Q: What is the School Marathon Challenge?**

A: The School Marathon Challenge is a program BW parents coordinate in partnership with In Motion Events. If a LEGOLAND participant runs 26.2 miles in total over the school year (25.2 miles at running club + the 1 LEGOLAND kids mile), the participant will receive an additional medal at the end of the school year.

### **Q: How many Benchley Weinberger running club laps is 26.2 miles?**

A: 25.2 miles is roughly 126 laps of BW running club.

### **Q: How will I know if my Panda has ran 25.2 miles at running club?**

A: Mileage at running club is tracked with a barcode that each Panda carries around at running club and gets scanned after each lap by parent volunteers. This can be tracked on the 'StrideTrack' app. You will need your Panda's running club number which can be found under the barcode which they carry around with them. You can also reach out to our PE Coach D for more details on running club, scanning and barcodes.

### **Q: Do I have to complete the LEGOLAND kids mile to complete the school marathon challenge?**

A: Yes either in-person or virtually. You will need to select Benchley Weinberger as the marathon school challenge when you register, in order to participate in the challenge.

### **Q: When will my Panda get their second marathon challenge medal?**

A: The Marathon Challenge medals will be presented at our running club assembly (typically late may / early June)

### **Q: I know another school that may be interested in participating at the event and school marathon challenge, like we do each year. How can they get details on that?**

A: Details can be found here: [School Challenge Program | In Motion Events](#)

### **Q: I have a question that is not answered here, who can I reach out to.**
